SKILLS

Front-End : HTML,Css,Javascript

Full -Stack Developer: React ,Nodejs ,Express.js ,MongoDB.

Framework: TailwindCss,Bootstrap

Database: SQL,MongoDB,Firebase

Tools : Vscode,Git,Github

Languages: Python,C,Javascript ,SQL.

RELEVANT COURSEWORK

· Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP), Operating Systems (OS), DBMS.

PROJECT

Shop Zone e-commerce

szone.onrender.com/

· Built a full-stack MERN e-commerce application with features including user authentication, product management, shopping cart, and online payments via Stripe.
· Implemented JWT-based authentication, role-based access control for admin and user functionalities, and secure password hashing using bcrypt.
· Styled the frontend using Tailwind CSS, ensuring responsive and modern UI/UX.
· Deployed frontend and backend on Render, with continuous deployment via GitHub.

Student Management System

github.com/sayyed-faiz-ali

· Developed a desktop-based **Student Management System** with full **CRUD functionality** (Create, Read, Update, Delete) to manage student records.
· Designed the graphical user interface using **Tkinter**, a built-in Python GUI library, for a user-friendly experience.
· Integrated with a **SQL database** (SQLite/MySQL) for efficient data storage and retrieval of student information.◦ Features include **search functionality**, **form validation**, and **data sorting/filtering**.

PulseCare

github.com/Mohd-Farzan/onlineDoctorAppointment

· Developed and integrated full-stack features including user authentication, appointment booking, and doctor onboarding using **React.js**, **Node.js**, **Express.js**, and **MongoDB**.
· Implemented real-time chat functionality using **Socket.IO** for private communication between users and doctors.
· Created responsive, role-based dashboards for **users**, **doctors**, and **admins**, ensuring secure and personalized user experiences

INTERNSHIP

Celebal Technology

Web Developer Intern

· Collaborated with senior developers to build and maintain responsive web applications using **HTML, CSS, JavaScript**, and modern frameworks
· ◦ Worked with **version control (Git/GitHub)** to manage codebase and collaborate across teams.
· Contributed to the design and implementation of **user interfaces** with **React.js** and **Tailwind CSS**, focusing on accessibility and performance.

EDUCATION

Bachelor of Technology in Computer Science

Allenhouse Institute of Technology · Kanpur,Uttar Pradesh · 2025
